DATOVÉ ZÁSUVKY NEJSOU SOUČÁSTÍ STOLŮ, LZE VYBAVIT DLE POŽADAVKŮ.

**CZ** Royal je systém kancelářského nábytku obsahující ucelenou nabídku pracovních stolů, jednacích stolů, kontejnerů a skříňového úložného nábytku. Viditelné kovové díly jsou vyrobeny z broušeného nerez. Nohy stolů jsou opatřeny nerezovými rektifikačními patkami. Stolové desky pracovních a jednacích stolů jsou dýhované o tloušťce 38mm. K pracovním stolům je nabízena psací plocha potažená v pravé kůži a spodní čelní čelo s pískovaného skla. Stoly je možné na přání opatřit skrytými elektrickými a datovými zásuvkami. Mobilní kontejnery mají tři zásuvky s možností uzamykání, varianty kontejneru mohou obsahovat místo pro PC, případně i výsuvnou polici pro tiskárnu. Zásuvkové kontejnery a dvířka skříňového nábytku jsou osazena dotykovým systémem otevírání – tzv. PUSH SYSTÉM. Skříňový nábytek s kontejnery se vyrábí v dýze a s pigmentem lakovanými díly dokončenými ve vysokém lesku. Skleněná dvířka skříní mohou být čirá nebo pískovaná s hliníkovým rámečkem s povrchovou úpravou broušený nerez. Na individuální přání zákazníka, či k požadavku přizpůsobení k danému prostoru, je možné nábytek atypicky navrhout a upravit. Ke kancelářskému nábytku ROYAL doporučujeme pracovní a konferenční židle Fermato a sedací soupravu Toraco nebo Bel canto v provedení broušený nerez.

**EN** Royal office furniture is an exclusive product line and it has been designed for a prestige and representative offices of head managers, lawyers and for the chief offices. Thanks to its design, to the use of noble materials and to its quality production, which concentrates on the highest care of every detail, this product line has reached moderate elegance and luxury. Royal product line comes in a plywood version and there is a possibility for customers to choose plywood according their needs. Additionally, we can use varnished pigment surfaces finished in the high gloss.

**DE** Die exklusive Büromöbelreihe Royal ist für Prestige - und Repräsentationsbüros, wie von Topmanagern, Rechtsanwälten und leitenden Beamten entworfen. Durch das Design, die Verwendung von Edelwerkstoffen und die hochwertige Verarbeitung, bei der unter größter Sorgfalt auf jedes Detail geachtet wird, werden die maßvolle Eleganz, die Noblesse und der Luxus erreicht. Royal wird in der Furnierversion mit der Verwendungsmöglichkeit verschiedener Furniere nach Wunsch des Kunden hergestellt. Zusätzlich werden hochglanzlackierte Pigmentflächen verwendet.
